The Friends of Huntfold

2018 AGM Summary

Outcomes of our first AGM

Just over 30 Households attended our first AGM and several more had contacted us with their apologies - thank you.

The key outcomes of the AGM were:

- the Officers of the Friends of Huntfold remain as they are - Chris Rogan (Chair), Ann Bennett (Treasurer), David Booker (Secretary), Anne Booker (Officer), Christine Rogan (Officer)
- the Secretary explained how we've cared and maintained the green spaces this year and the meeting accepted the proposal to renew our Maintenance Contract with Countrywide for 2019
- the Treasurer provided a breakdown of our income and expenditure in 2018 and presented our Financial Plan for 2019.
- the meeting accepted the proposed Contribution request of £60 for 2019

Your help so far has meant that we are requesting a smaller contribution from each Household for 2019 of £60. We are working to keep this figure as low as possible for the next few years, but we still need everyone's support.

Each Household is asked to contribute

£60

for the care and maintenance of our green spaces in 2019

How To Make Your Contribution

We would gladly accept your contribution at any time, but **please make your contribution by Friday 1st March 2019.**

We will be dropping a 'How To Pay' leaflet through letterboxes to help with this.

Thank you for your support in 2018

and for the many kind comments we've received about how well our green spaces look. Your contributions make it happen - without them - we simply wouldn't have our green spaces.

Help us keep them as they are for the future by making your contribution by 1st March 2019.

Thank you too...

...our dog walkers and their dogs.
Keep up the good work.
